## Wishing you and yours the joys of the season!

The West End had a great (hopefully only the first) Deer Hunt on Saturday night, December 17! Over 75 children and their adult friends joined together at Grace Court where the gazebo was seasonally decorated. There was caroling fueled by hot chocolate and cider. David Phillips pulled up in a trailer filled with hay and with wonderful blinking lights. Four trips of a very full trailer were made around the neighborhood where several herds of deer were spotted. There was a large deer (or at least dog with antlers) greeting each trailer of children.

Hopefully some of you heard the caroling from the trailer as folks enjoyed the lights in the neighborhood.

Thank you David and Toni Phillips and Regina Hanslmayr with helping as well for arranging all this. With the great turn out we will have to join together as a neighborhood for more kid oriented events.

**Committee Reports**

**Historic Resources Committee-Jack Smith**  
Jack Smith reported that the City Council passed the Demolition by Neglect ordinance and Jack further discussed the procedure for nominating a property for consideration. The HRC requests that if an association identifies a property to be considered, the association must first approach the property owner and try to resolve the issues. If the two parties can not make progress on the concerns, then the HRC can be asked to intervene.

Anyone interested in reading the Demolition of Neglect or any other HRC updates, please go to [www.cityofws.org](http://www.cityofws.org). Also the HRC is in the process of revamping new guidelines for the West End neighborhood.

**Beautification Committee- Jack Smith**  
The West End Garden Club planted 2500 bulbs in Grace Court on Saturday, December 3. This is the second winter in which the garden club has planted bulbs in Grace Court. Keep your eye out for the spectacular spring color show in the court in May '06.

**Safety ad hoc-Captain Belton and Lieutenant Cobb**  
Over the past two months the city has experienced increase in house break-ins. West End experienced fourteen during the month of November. Most of the crime occurred in two areas of West End, near Summit and Broad Street and over in the vicinity of Business 40. Captain Belton stated that the best way to stop crime is to call 911 if they see any suspicious activity and keep neighbors informed of crime that occurs on their street. Lt. Cobb stated that the police have deployed extra plain-clothes police officers to patrol specific areas that are experiencing the increased crime activity.

Brad Zabel discussed Spring Park and if the neighborhood would be interested in providing some volunteers to help revitalize the park. The park has a storied history but is currently suffering from neglect that comes from overgrowth. Brad has had a conversation with Tim Grant, Director for the W-S Recreation and Parks, and the city could possibly provide in-kind support for a revitalization project.
